

## CHEAP EXCURSION RATES

## Reduced Fare for Visitors to the Seaside and Mountains.

The Southern Pacific Company has placed on sale at very low rates round-trip tickets to the various resorts along its lines, and also, in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, later tickets good for return until October 10th.

Three day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates from all points Eugene and North on both East and West Side Lines, enabling people to spend Sunday at the seaside. Very low round-trip rates are also made between Portland and same points on the Southern Pacific, good going Saturdays, returning Sunday or Monday, allowing Portland people to spend Sunday in the country and the out of town people to have the day in Portland.

Tickets from Portland to Yaquina Bay good for return via Albany and East Side, or Corvallis and West Side, at option of passenger. Baggage checked through to Newport. A new feature at Newport this year will be an up-to-date Kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern Railroads, and can be secured from any of their agents, or by addressing W. E. Conan, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. & E. Ry., Albany, Oregon.

## HIS LAST HOPE REALIZED.

In the first opening of Oklahoma to settlers in 1890, the editor of the Gebo, Montana Sentinel was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad weather which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the diarrhoea was stopped. The good effect of the medicine was soon noticed and within an hour the patient was taking his first solid food for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The reason for bowel disorders being at hand suggests this item. For sale by all druggists.

## Leland Sittings.

R. G. Virtue is up to his business to secure our part of the new business. Our Board of Trade is exerting itself to secure our part of the immigration. People are in the midst of laying and are not coming in, so news is scarce this week.

Rumor says that the Greenback mine will soon have a new set of officers to run the mine.

As Mr. Henry Ball has been lately married, we will excuse him for awhile, although he is a good all round fellow.

Frank Fletcher made a business trip to the Pass this week. He says Grants Pass is erecting more substantial buildings, but we think it is little too far from town.

We are having a fine rain. It comes good for vegetables but a little late for grain, although it will be good for filling out the grain. The vegetable crop will be big as the rain coming at the right time will insure a good crop.

The people that took in the carnival at the Pass were well pleased with the program and their treatment by the people of the Pass was very satisfactory. C. D. Burnett rode the camel. Being up so high it made him a little dizzy, but as the camel rode easy, he said he stood it all right. Our people were thinking of holding a carnival but as Grants Pass made their announcement that they were going to, we would not run an opposition, as Ashland tried to make trouble, for we are a very peaceable people, not given to strife or backbiting. We wish to do and let do. After our opera house is finished and Grave creek is made navigable so we can entertain our guests in a proper style, such as a good steam boat ride from Leland to Placer and other points, then we can hold a carnival that will be long remembered.

Our stage is getting all the business it can do, as the travel is large up the creek.

(Received too late for last issue.) Business is steady; no spurts, but steady, with an increasing trade.

People will commence haying in a few days. Some alfalfa is ready to cut at the present time.

The miners of lower Rogue river come up to our town to dispose of their gold dust, also to lay in supplies.

We understand the little daughter of Mr. Stout is sick with a fever. That is all the sickness that we have to report.

Our hotel is crowded. A good many tourists stop here and prospectors to lay in their supplies as this is a central location for the miners.

Mrs. Walter Ray and Miss Brahm are going to California to visit with their parents. Mr. Ray is employed with the steam shovel as powder man.

Some new discoveries have been made at the Greenback mountain, of rich rock. We will receive reports from there next week, so can write more of the details.

Hurray! hurray! for Binger Hermann! We have a good man elected again. It is hard to down a good man. Hermann has done as much for Oregon as any public man that ever was sent to work from Oregon. The

demos and weak republicans said before election "Hermann has held office long enough. Let's elect a new man." What a mistaken idea! Shall we trade a good wheel horse that understands his business for a wild broncho that we have to break in? Republicans say "no."

We are having warm, dry weather. High land crops need rain. We see from reports that Seattle had over five inches of rain in the month of May. A little of that would have been beneficial to this part of Oregon.

We are wondering what the Portland Democratic Journal will have to fill its paper with next. It blamed and ridiculed Hermann, also the republican party as far as it had brains to express itself. This mud slinging should belong to the lower order of animals. Our precinct went democratic. We have a large number of miners and other transient people who come and go, take no direct interest in our government and don't seem to be posted. Ask them what they think of Hermann. "Well I don't know, only he has been in office long enough. We think we want a change." But they can't tell why they want a change. The democrats are feeling very blue. We are consulting them all we can by telling them that we will have good times. That Hermann will work for the interest of Oregon; that seems to revive them a little.

## A SPLENDID REMEDY.

Neuralgia pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed in the blood, its healing properties are conveyed to every part of the body and effects some wonderful cures. Mr. D. F. Moore, Agent Illinois Central Railway, Milan, Tenn., states, "I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We could not do without it." 25c, 50c and \$1.00 at Slover Drug Co.

## Glendale Items.

Mrs. Jennie Cleveland of Wolf Creek visited in Glendale Wednesday.

Mrs. F. R. Miller has just returned home from a delightful week's visit with friends at Leland and the Grave Creek mines.

Dr. McGowan was summoned to Grave Creek a few days ago to prescribe for Mrs. Caleb Curdier, who has been very sick. Her husband recently had a leg broken while at work at the Greenback mine.

Station Agent Montgomery and wife returned Saturday from a two weeks' vacation. Their bright young daughter, Myra, who has just completed a 3-years' course in Tualatin Academy, returned home with them.

Old Oids, an employee of the Greenback mine, had the misfortune to fall down a shaft at the mine Thursday and dislocated his left shoulder. Dr. Bowersox was called out to attend him, and he is getting along nicely.

Among the many people from here who attended the carnival at Grants Pass last week, were Mr. and Mrs. M. A. Wagner and daughter Edna, Chas. Carrio and Robbie McGarn, who drove through on a light rig, in order to see the country.

About 50 people from this section attended the carnival at Grants Pass last week, and all say it was a grand success in every particular. They are also loud in their praise of the courteous and excellent treatment accorded them by the good people of Grants Pass, who are noted for their hospitality.

## Excursion Rates to Yaquina Bay

On June 14th the Southern Pacific Co. will resume sale of excursion tickets to Newport, and Yaquina Bay. Rate from Grants Pass, \$10. This popular resort has long been well and favorably known to the people of Western Oregon, and the low rates offered should enable everyone to take an outing.

The party left in the afternoon of Sunday for their way to Warner Valley, where they will work during the day, and have a complete camp outfit and will camp out while waiting Mrs. Myers doing the cooking for the party—Jacksonville Sentinel.

## HOT WEATHER WEAKNESS.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This Hottish activity is a tonic laxative and restorative. H. J. Freagard Prop. Grand View Hotel Cheney Kan., writes: "I have used Hottish for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Newton, Kan." See at Slover Drug Co.

## Reduced Summer Excursion Rates.

The Denver & Rio Grande, popularly known as the "Scenic Line of the World," has announced greatly reduced round-trip rates from Pacific Coast points for the benefit of teachers who will spend their vacation in the east, and of delegates to E. A., at Boston; A. O. U. W., at St. Paul; B. P. O. E., at Baltimore; Woodmen of America at Indianapolis; Eagles at New York; Mystic Shrine at Saratoga Springs; K. of P., at Louisville, and T. P. A., at Indianapolis.

Tickets at the reduced rates will be based upon one fare for the round trip, but will be sold on certain days. These tickets will carry stopover privileges on the going trip, giving passengers an opportunity to visit Salt Lake City, Glenwood Springs, Colorado Springs and Denver; and will be good to return any time within ninety (90) days. Passengers going via the Denver & Rio Grande are given the privilege of returning via a different route.

For the rate to the point you wish to go, and for dates of sale and other particulars, as well as for illustrated pamphlets, write W. C. McBride, General Agent, 124 Third St., Portland, Or.

## CONSTIPATED BOWELS.

To have good health, the body should be kept in a laxative condition, and the bowels moved at least once a day, so that all the poisonous wastes are expelled daily. Mr. G. L. Edwards, 112 N. Main St., Wichita, Kansas, writes: "I have used Hottish to regulate the liver and bowels for the past ten years, and found it a reliable remedy." See at Slover Drug Co.

THE PRISONER

Who escapes from jail is by no means free. He is under the ban of the law and punishment is written over against his name. Soon or late he will be caught, again and again, and bear added punishment for his short escape from his cell.

Those who by the use of purgative powders and tablets escape from a time from the sufferings of dyspepsia are in the same condition as the escaped prisoner. Soon or late they will go back to the old condition and pay an added penalty for temporary release.

Dr. Pierce's Golden Medical Discovery cures every case of dyspepsia and other diseases of the stomach and organs of digestion and nutrition. Its cures are lasting.

"For about two years I suffered from a very obstinate case of dyspepsia," writes R. E. second Reg. of 1st Eastern Cavalry, Kansas. "I tried a great number of remedies without success. I finally had faith in them. I was so fatigued that I could not eat any solid food on my stomach for a long time. I felt melancholy and depressed. Could not sleep. I was a friend recommended your 'Golden Medical Discovery' and a week's treatment. I had derived so much benefit that I continued the medicine. I have taken three bottles and am now enjoying the best of health. I am a confirmed dyspeptic and the 'Golden Medical Discovery' has cured me of the disease."

There is nothing "just as good" as Dr. Pierce's Pleasant Pellets stimulate the liver.

IT IS UP TO THE DOCTOR.

A lady wrote us a few weeks ago from Winchester, Va., that she had been under a doctor's care for 4 years for dyspepsia, the pain seemed to center under her left shoulder blade, and was so severe at times that she could neither eat nor sleep. She had lost faith in her home doctor, and asked us to send her samples of Dr. Gunn's Improved Liver Pills which had been recommended to her. We sent her two pills. In a few days she sent for a box. Now she writes that the pain under her shoulder has left her entirely, she enjoys her meals and never sleeps less than 8 hours every night, and this has all come about in two weeks, and cost her \$50. for two boxes of pills. Says the doctor charged her \$50.00 and that she told him he had better take the \$50.00 and invest it all in Dr. Gunn's Improved Liver Pills and build up his practice. We have not received the Doctor's order yet, but any one having dyspepsia, bilious spells or sick-headache can get a speedy cure by the use of these pills. Sold by W. F. Kremer, or the per box or by mail on receipt of price. Samples free. Address Dr. Bosanko Co. Phila., Pa.
